ABBEVILLE—West Carolina Tel recently made a matching donation to the John de la Howe school Foundation. WCTEL matched funds that were raised by the local Lions Clubs (Abbeville, Calhoun Falls, Due West and McCormick) in their service area at Christmas. The matching amount donated by WCTEL totaled \$2,500. “We truly appreciate the generous donation from WCTEL and the Lions Clubs” said John de la Howe Director of Advancement & Development, Dan Branyon, “Last year’s donation assisted us in installing an emergency generator for use in the event of power failure on our campus.” Pictured from left are: Shannon Sears, WCTLE Director of Commercial Services; Dr. Danny Webb, John de la Howe School President; Dan Branyon, John de la Howe School Director of Advancement & Development; and Robert Hester of the WCTEL Board of Directors.
